**Independent Contractor
Signing Agent Agreement**

Statewide Document Services conducts Mortgage loan closings (witness closings only) for Title Insurance Companies and Direct Lenders. We provide closings for Debt Consolidations, FHA Streamline, VA, Conventional Refinance, Equity Lines of Credit, Purchases, Reverse Mortgages, etc. When you sign up as a closing agent for Statewide Document Services, you will be included as an active member of our Closing-Agent Database. To become, or remain as an active agent in our database, you must agree to and sign this agreement. You must also have a FAX machine or scanner.

As an Independent contractor you would meet with the borrowers at their home, or other specified location, and witness their signatures on the loan documents, notarize the ones that are required and overnight the completed loan package back to the Title Company or Lender as directed, using the supplied shipping account number.

We pay \$75.00 for a full loan closing, plus a \$10.00 email fee if an entire loan package is emailed. Your total fee will be confirmed at the time of scheduling. There are some different types of signings that have different pay rates and your confirmed fee will be written on your confirmation that is emailed to you with the instructions. For this, your responsibilities include:

- Receive the documents by e-mail or over night delivery.
- Print copy of the entire loan package for borrower prior to closing, NO EXCEPTIONS.
- Witness/notarize the specified documents at the borrower's home or designated closing site.
- Double check the package for accuracy and completeness.
- Answer questions in regard to the purpose of each document in the package.
- Send the completed package back as directed using overnight service, and within the next business day of the closing.
- Fax or email confirmation pages to Statewide Document Services the same day or by 10:00 AM (EST) the following day.
- We do not pay cancellation fees. If you arrive at the closing and the borrowers are not there or do not want to sign you will be compensated a flat \$50.00. However, you do still need to contact us at (888) 288-0572 from the closing to advise us of the situation. Failure to notify us will result in a loss of the \$50.00 fee.
- You are required to call in status confirmation immediately after the closing.
- If you do something wrong at the closing that results in the loan not closing you will not be paid unless you are able to right the situation in a timely manner. Typically problems that can be resolved include: failure to have all documents signed, failure to collect a check when you are directed to, taking a check when you have been directed not to, etc.
- If you make an error and the package has to be returned to you or the borrower, there may be a \$30.00 charge deducted from your closing fee to cover shipping costs.
- As the closing agent you are there to explain the package and witness the signatures, you are to make no legal judgment of any of the documents. The packages are prepared by professionals and in accordance with local and state regulations.
- Learn and know the rules and regulations in your state.
- You are NOT to offer opinions in regard to the Lender, Title Company or terms of the loan. If the borrower is dissatisfied with the terms of the loan, refer them to their loan officer.
- Do not go to a closing without the complete closing package in hand. Always call us first.
